Healthy Children's Program

"Be like the bird that, Passing on her flight awhile on boughs too slight, feel them give way beneath her, and yet sings, knowing that she hath wings."

- Victor Hugo

A caring program that understands your needs...

WINGS Healthy Children's Program is a program designed to help parents and families raise healthy children.

Assessment tools are provided to parents to ensure that children are developing at age appropriate time frames.

These tools also ensure that parents are not overwhelmed with everyday life while being parents.

Confidence in parenting skills is gained through monthly one-on-one home visits by a case manager and monthly group meetings with other parents.

How we can help:

- Education Concerns
- Nutrition Coaching
- Financial Concerns
- Parenting Classes
- Family Communication
- Community Resources

How we can help after your baby arrives:

- Postpartum Support
- Resource Library
- Referrals for Housing and Day Care Options
- Continuing Education

Wings Healthy Children's Program

is a systematic approach to parent education through monthly home visits and monthly educational/networking meetings that provide an array of individualized and well-rounded opportunities to enhance understanding of child development as well as improvement of parenting skills with the utilization of research-based curriculum and educational programs.
